## *AB 109 Quarterly Report*

*April to June 2024*

Prepared by:

### Orange County Community Corrections Partnership

#### **VISION STATEMENT**

"Enhancing the quality of life of Orange County residents by promoting public safety, reducing recidivism and creating safer communities."

#### **MISSION STATEMENT**

The **Mission** of the Orange County Community Corrections Partnership is to enhance public safety by holding individuals accountable, facilitating successful reentry into the community, reducing recidivism, and improving outcomes for individuals by utilizing evidenced based and best practices and programs that support victims and community restoration in partnership with community-based organizations.

In 2019, the Board of Supervisors adopted the OC CARES Justice through Prevention and Intervention 2025 Vision, which linked the county justice systems and systems of care to provide justice-impacted and at-risk individuals with the services designed to promote self-determination and facilitate successful reentry. The 2025 Vision is structured around five pillars (prevention, courts, in-custody, reentry, juvenile & TAY), each having overarching goals assigned to specific departments with identified action items to be completed. The Reentry Pillar focuses on providing accessible and supportive services to justice-involved individuals to assist with a positive transition into the community. The following highlights all the reentry projects in progress and their current status with completion and implementation on target by the end of 2025.

## Coordinated Reentry Center

Centrally located in Orange, Probation's Youth Guidance Center is being transformed into the County's first Coordinated Reentry Center. This facility is being completed in phases with phase one providing a dedicated 24-7 facility where anyone released will have a place to go. Individuals seeking to receive or continue reentry services will enter through a reception area where they will be welcomed and linked to a care/case manager to assess and begin to address their needs. Temporary housing will be provided for males and females and the facility will include space for programs, family reunification, counseling, and any other needs determined necessary to remove obstacles for successful reentry. Estimated completion in December 2025. No updates.

## Regional Reentry Centers / Mobile Reentry Services

The service delivery model adopted for reentry services brings the services to where the people are. This will be accomplished through regionally placed reentry centers in the County and also through the use of dedicated multi-resource vehicles and vans that will go in the communities to meet with probationers and justice impacted individuals to offer services, support and information to them, their families and their support systems.

Regional reentry service centers will be a resource for anyone involved in the justice system who needs help finding services, housing, peer support. These are pilot projects that will evolve over time to meet community needs. The Mobile Reentry program has their vans and they are wrapped and just waiting to be delivered. The first Regional Reentry Center opened in South County in March 2024 and is seeing clients three days a week, many being referrals from Probation. A second site is in the planning stages and anticipated to be completed in June 2025.

## Workforce Reentry Center

A Workforce Reentry Center (WRC) is in the final planning phase and will be established at the former site of the County's Animal Care Center. The WRC will include a training lab, retail operations, job placement services and housing. The program will have eligibility requirements and link to in custody training. Temporary housing on-site will be provided for participants and will include support services. Consultants are analyzing the retail space and surrounding areas to determine the best options for success. Final design plans are in progress to ensure the programs and services will meet the stated objectives and needs of those that participate in the program.

In addition to the above projects, bi-monthly meetings are held between the County and organizations providing services and programs for the same population. As the County has continued to try to increase capacity, organizations that have one-time needs that would allow them to expand and serve more or provide additional or enhanced services may request one-time funding. Requests are reviewed by a group consisting of a member for the stakeholder departments and overseen by the County Executive Office. To date, scholarships have been provided for the following:

- Scholarships for three justice-involved individuals to attend carpenter training where they learn marketable skills to become self-sufficient and have a career. (\$9K)
- Start-up costs for newly formed non-profit to expand their funding operations and funding opportunities. (\$50K)
- Assistance with location costs for one non-profit to expand their operations providing fitness therapy and certifications. (\$130K)
- Recreational equipment and art supplies to expand existing reentry programs and participants. (\$50K)

**Orange County Public Defender's Office**  
Martin Schwarz, Public Defender

The Public Defender's Office continues to assist in the reduction of recidivism by identifying and removing re-entry barriers within our Realignment client population. The Public Defender's Office Recidivism Reduction Unit (RRU) consists of attorneys, resource paralegals, Recidivism Reduction Advisors (RRA), and support staff. The RRU team is dedicated to creating improved opportunities for housing, education, employment, and mental health and substance abuse treatment services in order to assist our realignment population in acclimating back into society upon their release from custody.

With respect to our AB109 population, our overall numbers of Post-release Community Supervision (PCS), Mandatory Supervision (MS), parole cases, and contested hearings remain consistent.

During this quarter, the Public Defender's Office handled the following AB109 matters:

PCS Cases Opened	MS Cases Opened	Parole Cases Opened	Total Court Appearances (includes PCS, MS and Parole)	Contested Hearings
<b>515</b>	<b>77</b>	<b>80</b>	<b>1326</b>	<b>9</b>

**Recidivism Reduction Unit**

The Public Defender's Recidivism Reduction Unit works closely with our AB109 clients in order to determine their individual needs and to identify their individual barriers to re-entry. Our RRAs have continued to meet with in-custody clients for the purpose of conducting comprehensive life interviews that help identify any obstacles in finding housing, employment, and mental health and substance use disorder (SUD) services. RRAs then collaborate with other county agencies including the Probation Department, Health Care Agency and the Orange County Sheriff's Department to improve the delivery of necessary services.

For our in-custody AB109 clients who suffer from SUDs, our RRAs conduct assessments using the ASAM tool to determine the client's necessary level of treatment. RRAs then work with Health Care Agency to secure appropriate treatment options. Our RRAs can also access the State Automated Welfare System and Benefits Cal to determine if clients receive any benefits, such as Medi-Cal, CalWORKs, CalFresh, or general relief. For our in-custody SUD clients who do not actively receive Medi-Cal, and for those who are in need of a CalOptima-funded-bed, our RRAs refer them to our community partner, Project Kinship. Project Kinship meets with the client, while they are in-custody, and assists the client in applying for Medi-Cal prior to their release.

For our in-custody AB109 clients that suffer from mental illness, our RRAs link them directly with Correctional Health Service's (CHS) Jail to Community Re-entry Program (JCRP). Our clients are assessed by correctional mental health staff and are provided access and linkage to behavioral health and supportive services. This is just another example of how the RRU works with community partners and other agencies to resolve re-entry obstacles, decrease recidivism, and increase community safety.

In addition, our RRAs assist our AB109 clients with transportation, transitional housing, SSA benefits, Medication-Assisted Treatment (MAT), and locating inpatient and outpatient SUD programs. Our clients'

needs are unique and varied. Because of this, our RRAs work alongside our attorneys, resource paralegals, and support staff to provide a variety of resources. At times, our RRU team assists our clients at a very basic level, providing food and clothing. Often our clients have more complicated needs, which require additional assistance. This assistance can include:

- Obtaining vital records such as identification, driver's licenses, and birth certificates
- Helping clients enroll in programs for family reunification services
- Acquiring immigration documents to help clients obtain citizenship
- Helping clients obtain government assistance, including General Relief benefits, food stamps, and Medi-Cal
- Assisting clients with receiving mental health services
- Helping clients receive veteran benefits and assistance
- Helping clients locate educational opportunities, professional licensing or vocational schools

Within the RRU, our newly renamed Clean Slate program assists clients with legal barriers in order to increase opportunities in employment, professional licensing, and consumer credit. Our attorneys and paralegals collaborate with community organizations and community supervision to provide on-site legal advice on how to take advantage of motions and petitions offered by our Clean Slate program and to provide participants with the resources listed above. Our attorneys and paralegals provide weekly on-site assistance at Project Kinship, and our paralegals provide assistance three times a month at different parole and probation day reporting centers within the county.

Recently, the Public Defender's Office was invited by the California Department of Corrections and Rehabilitation Division of Adult Parole Operations to participate at a reentry resourcing event at California State Prison, Los Angeles. During this event, the male inmates were given the opportunity to interact with various service providers including employment, transitional housing, mental health services and other community reentry services. Our RRA's and paralegals provided reentry information, which included how to secure housing, obtain vital records and work documents, treatment opportunities, and educational and occupational resources available to them in Orange County.

Our office continues to partner with the county to provide on-site legal assistance and reentry services at *Verdugo*, the county's first reentry center. At *Verdugo*, clients are provided information regarding their supervision obligations as well as resources to assist them in complying with court ordered commitments and reintegrating into the community, all of which is aimed at reducing recidivism.

Additionally, our office's collaboration with the Orange County Sheriff's inmate services and correctional programming continues. Our attorneys and paralegals regularly meet with inmates housed in the Transitional Age Youth (TAY) and HUMV units, as well as inmates participating in the "All In" program. Our attorneys and paralegals provide advice and guidance related to navigating the criminal justice

**Orange County Public Defender's Office**

system, successfully completing post-incarceration supervision, employment skills, child support, and our Clean Slate Program resources.

The RRU is committed to aiding clients as they reenter into the community by helping clients meet the needs and demands of present society. Our paralegals also provide weekly life skills education to a selected group of individuals, prior to their release from custody. Our paralegals facilitate Moral Reconciliation Therapy (MRT) to these individuals, which assists them with developing social, emotional, and thinking skills in order for the clients to adjust and succeed upon their reentry.

During this second quarter, our RRU team has actively filed the following motions and petitions:

- Penal Code 1203.4 motions requesting felony and misdemeanor convictions be set aside and dismissed from the client's record
- Petitions for Certification of Rehabilitation requesting a full pardon from the Governor
- Petitions to dismiss and seal convictions related to loitering with the intent to commit prostitution, pursuant to Senate Bill 357
- Petitions to terminate sex offender registration, pursuant to Senate Bill 384
- Proposition 47 petitions, which allow certain felony convictions to be recalled and designated as misdemeanors

These motions and petitions are of significant benefit to our clients as they eliminate or reduce obstructions to employment opportunities.

Our RRU team has handled the following contacts:

Client Contacts	Program and Service Referrals	Obtaining Vital Records	Motions/Petitions Filed
<b>5008</b>	<b>2582</b>	<b>943</b>	<b>56</b>

With the assistance of the Public Defender's RRU team, Realignment clients continue to make significant progress towards creating stability by learning life skills, obtaining employment, locating housing, and receiving treatment for substance use disorders and mental health diagnosis, thereby reducing recidivism and increasing public safety.

### Total Population Analysis

In the 2nd quarter of 2024, the OCDA handled a total of 770 petitions for a violation of AB109 supervision. The 770 petitions were for a total of 558 defendants. Of the 558 defendants, 496 (88%) were repeat offenders, having received at least 1 prior petition, 269 (48%) had at least 5 prior petitions, and 77 (14%) had more than 10 prior petitions.

Additionally, in the 2nd quarter of 2024, the OCDA filed 1134 new criminal cases – felony 447 (39%), 685 misdemeanor (61%)- against a total of 929 defendants who are currently or previously on AB 109 supervision. Weapons (44), Auto theft (56) and Narcotic Sales (79) charges were the most common new felony filings against an AB109 individual (179 cases).

Overall, PRCS defendants remained the largest population of violators, and they were most likely to commit new offenses.

The following pages of this report break down the statistics by form of supervision-Mandatory Supervision (MS), PCS, and parole.

## Referrals and Admissions

**Probation Referrals & HCA Assessments**

**Admitted to Outpatient Treatment**

**Admitted to Recovery Residences**

**Admitted to Residential Treatment & Clinically Managed Withdrawal Management**

**HCA AB 109 Referrals and Admissions from April through June 2024:**

Services	Referrals	Admissions
Residential Treatment	8	*16
Adult Outpatient Substance Use Disorder	50	27
Recovery Residence and Short Term Housing	4	*28
Clinical Managed withdrawal Management (Medical and Social Models)	29	21
Adult Outpatient Mental Health Treatment	9	1
Bridge Psychiatric Services	2	0
Narcotic Treatment Program (including MAT)	17	5
Full-Service Partnership	2	0

\*Note: The number of clients admitted to Residential treatment and Recovery Residence/Short Term Housing is higher than the number referred because of self -referrals and those that were later identified as AB109 after admission.

**Behavioral Health Services (BHS)**

HCA AB 109 screeners are available on all screening sites at Santa Ana, Anaheim, Westminster, and Laguna Hills Probation to screen, assess, facilitate linkage, and coordinate services with probation officers and service providers. Currently, HCA has 3 AB 109 screeners for this reporting quarter. AB109 program has 1 vacancy due to a resignation in March 2024. The program continues to provide services in all service areas with rotating coverage among the 3 screeners in a weekly basis. To sustain full coverage, HCA is actively recruiting to fill the 1 position in order to maintain efficiency and productivity in the long run.

During this quarter, HCA AB109 team received 261 AB 109 referrals from Probation, completed 141 assessments and made 100% service referrals of 147. Of the service referrals made, 7% were for residential substance use disorder (SUD) treatment, 41% for outpatient SUD treatment, 24% for clinically managed and social withdrawal management, 3% for recovery residences and short-term housing, 9% for outpatient mental health and bridge psychiatric services, 14% for narcotic treatment program, and 2% for Full-Service Partnership services. During this quarter, there were 98 service admissions. HCA AB109 team continues to work closely with probation officers to engage AB 109 clients in services and the effort of maintaining a stable staffing and opening all screening sites have enhanced service engagement and increased access points for clients.

HCA AB109 Staff are working actively to look out for resources and linkage opportunities for the AB109 population. During this reporting period more residential programs are contracted for services and credentialing is pending for fill operation.

## Correctional Health Services

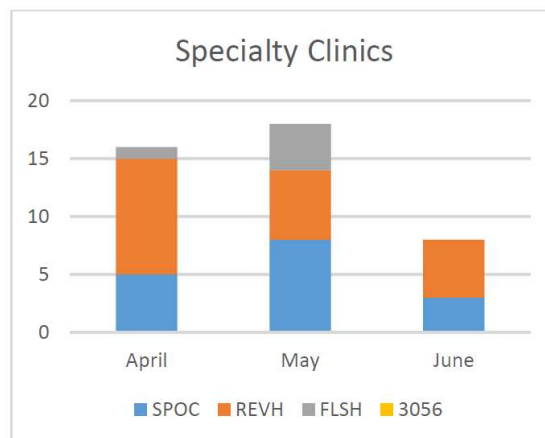

### Vivitrol Administration, Emergency Room, and Hospitalizations

Correctional Health Services' staff administered zero (0) Vivitrol in the second quarter of 2024. There was no change from the previous quarter. A total of 12 AB 109 inmates were either hospitalized or treated in the Emergency Department. This was a significant decrease from 29 compared to the previous quarter.

### Specialty Clinics

All primary care physician services are provided within the jail; however, when an AB 109 inmate needs specialty services, they are transported to specialty medical clinics off-site (such as Cardiology, Nephrology, Oncology, OB, Surgery, etc.). There are currently over 30 specialty clinic services available with 42 clinic visits completed during the 2<sup>nd</sup> quarter of 2024 for AB 109 inmates specifically. This equates to approximately 3.85% of the total specialty clinic services for this quarter.

In-custody Correctional Health Services triages and screens every AB 109 inmate in the jail to determine their medical and mental health needs and subsequent treatment and medication plan. The volume of patients is reflected in the Sheriff's section of this report, as all in-custody inmates on the Sheriff's census are also managed by in-custody healthcare staff.

## Postrelease Community Supervision

Since the inception of AB 109 through June 30, 2024, OC Probation has supervised 12,126 former state prisoners.

As of June 30, 2024, 912 individuals were on PCS active supervision.

PCS individuals without custodial sanctions are mandatorily discharged after one year. During the second quarter of 2024, 21 individuals were released on one-year mandatory terminations.

# REGISTERED ATTENDEES:

This was our first year piloting pre-registration which caused some challenges at entry. Thus, not all people were accounted for and not all people who entered the event registered upon entry/exit. Additionally, we had such a backlog of people needing to register that volunteers skipped through answers or chose "other" throughout the questions. This will be reflected throughout the numbers. Additionally, many responses were not filled out entirely and others that marked multiple choices which will be reflected in the numbers.

## Voting rights: Persons with a Prior felony Conviction.

### You can register to vote and vote if you are:

- A United States citizen and a resident of California,
- 18 years old or older on Election Day,
- Not currently serving a state or federal prison term for the conviction of a felony, and
- Not currently found mentally incompetent to vote by a court (for more information, please see Voting Rights: Persons Subject to Conservatorship).

### Persons with a prior felony conviction who can register to vote:

- In local detention facility:
  - serving a misdemeanor sentence (a misdemeanor never affects your right to vote)
  - Because jail time is a condition of probation (misdemeanor or felony)
  - Serving a felony jail sentence
  - Awaiting trial
- On parole
- On probation
- On mandatory supervision
- On post-release community supervision
- On federal supervised release
- A person with a juvenile wardship adjudication

### Persons with a current felony conviction who cannot register and vote:

Currently serving a state or federal prison term for the conviction of a felony in:

- State prison
- Federal prison
- A local detention facility\*

**NOTE: Once you have finished serving your term, your right to vote is restored; however, you must register online at RegisterToVote.ca.gov or by filling out a paper voter registration card.**

**\*California Penal Code section 2910** allows the California Department of Corrections and Rehabilitation (CDCR) to make agreements with local governments to house felons in local detention facilities. A person serving a state prison sentence who is housed in a local detention facility under these circumstances is not allowed to register and vote. Additionally, a person in a local detention facility who is awaiting transfer to a state or federal prison following a felony conviction is not allowed to register and vote.
