## APPROVED CHILD ABUSERS' TREATMENT PROGRAMS

As of January 23, 2026, these are the Child Abusers Treatment Programs approved by the Orange County Probation Department. These programs are 12 months in length and follow the "Guidelines for Child Abuser's Treatment Programs", developed by the Child Abuser's Treatment Advisory Committee. These programs meet the legal requirements for child abuser's treatment and are monitored by the Probation Department. Concurrent parenting classes accompanying these programs are 6 months in length; clients will be enrolled in these parenting classes as part of their overall treatment plan. The Probation Department only approves and monitors the Child Abuser's Treatment classes. **Online classes are not approved.**
